# Press Release

## **The City of Lyons Services after Hurricane Irma**

From the Office of the Mayor

**Lyons Georgia, September 12, 2017:** The Mayor would like to update the Citizens regarding storm damage from Hurricane Irma.

Trash Service for Lyons will be running on a one-day schedule delay. Republic Services is striving to be back on schedule by the end of the week. Please make sure your carts are placed at their normal pick up location as not to delay your services any further.

Debris Pick Up. The City will begin debris pick up this am. Our truck will run its regular zone route. Please be patient as the amounts of debris are heavy. There is no need to call in your pick up as we are assessing areas and routing our truck internally.

The Council meeting scheduled for Sept 12<sup>th</sup> at 5:30 pm will take place as scheduled.

The Mayor would like to thank all the Employees, First Responders, and Volunteers that worked so diligently during this event. Your service to the community is greatly appreciated.

**For Release Sept 12 2017 8:00 am**
