

PUBLIC MEETING

The City of Lyons, Georgia hereby gives notice that a public meeting will be held to discuss a wastewater improvement project funded by Georgia's Clean Water State Revolving Fund (CWSRF) on Tuesday, January 28, 2020 at 11:00 AM in the Lyons City Hall at 161 NE Broad Street.

The proposed project includes the following improvements:

- Renovation of the existing 0.670 million gallon per day (mgd) North Wastewater Treatment Plant (WWTP)
- Renovation of the existing 0.670 mgd East WWTP
- Construction of the Cross-Town Transfer Force Main to transfer flow between the two WWTPs
- Improvements to Solids Handling Facilities at both WWTPs

The anticipated cost of the project is \$7 million.

The purposes of the public meeting are to:

1. Inform the public of the need for improvements to the City's wastewater system.
2. To comply with Section 391-3-6-.02 of Georgia's Water Quality Control Rules (and amendments thereto).
3. To encourage public involvement in the development of a plan to improve the wastewater system.

During the public meeting the City will attempt to identify public preferences for alternative methods of improving the City's wastewater facilities. These alternatives will be evaluated and included in the City's Facilities Planning and Environmental Review Document, the major planning document covering the wastewater system under Section 212, 33 USC 1292. This combined document is available for public inspection through the date of the public meeting at Lyons City Hall during the normal business hours.

Your participation is encouraged and considered essential to the selection and development of the final plan to be adopted prior to its approval by the State of Georgia, Department of Natural Resources.

For additional information, contact Jason Hall, City Manager, 161 NE Broad Street, Lyons, GA 30436 at (912) 526-3626.
